

It is the policy of GPOA that adequate insurance be maintained at all times by the GPOA to cover general liability, Directors' and Officers' errors and omissions insurance, and dishonesty.

This insurance covers the GPOA and property. The acts of members who volunteer on a specific task are covered when that task and those members are recognized by the GPOA Board. Accordingly, the GPOA shall maintain a register of members and residents who seek to volunteer or who are asked to volunteer on behalf of the greater good of the GPOA.
